Federal Parent/Guardian Student Ethnic and Race Identification (PSE Form)

To the Parent or Guardian:

Federal law requires the New York City Department of Education to collect and record the ethnic identity and race of public school students. This information is used to determine funding for your school, among other things, and is kept safe and private.

We need your help to accomplish this task. Please respond to the ethnicity and race identification questions on the back of this page. The first question gives you a chance to share if your child is of Hispanic, Latino, or Spanish origin. The second question gives you a chance to share your child's race or races. The federal government provides the options that you will choose from. Please respond to both questions.

We understand the sensitive nature of this process. The options may not represent a perfect or complete portrayal of your family's own ethnic or race identification. We encourage you to select the options using your best judgment. If you choose not to answer, federal guidelines require New York City Department of Education school staff to respond on your behalf.

Race and ethnicity information for students is protected by the confidentiality regulations cited at the bottom of this page.¹

Thank you for your cooperation.

Directions for parents and guardians:

Please complete the form on the other side of this page and return it to your child's school.

Directions for school staff:

File the completed form in the student's cumulative folder as confidential information.

¹ **Confidentiality Procedures and Regulations:** the [Family Educational Rights and Privacy Act](#) (FERPA) and [Regulations of the Chancellor A-820](#) prohibit unauthorized access to student records and unauthorized release of any student record information identifiable by either student name or student identification number.

Federal Parent/Guardian Student Ethnic and Race Identification

- All students between 5 and 21 years of age have the right to a free and public education.
- Federal law requires the New York City Department of Education to collect and record the ethnic identity and race(s) of public school students.
- Children may not be refused admission to a public school because of race, color, creed, national origin, gender, gender identify, pregnancy, immigration/citizenship status, disability, sexual orientation, religion, or ethnicity.²
